SUMMARY

I am an Information Technology student passionate about programming and digital design. Pursuing a Bachelor's degree in IT, I have enhanced my skills through projects and internships, focusing on solving complex problems and exploring innovative solutions and creative ideas, and new opportunities. Eager to apply my knowledge, skills, and creativity to contribute meaningfully to the tech world.

EDUCATION

V.S.B. ENGINEERING COLLEGE (2022 - 2026)

B.Tech - IT CGPA: 8.0

INDIAN MATRICULATION HIGHER SECONDARY SCHOOL (2021 - 2022)

HSC : 86.3%

INDIAN MATRICULATION HIGHER SECONDARY SCHOOL (2019 - 2020)

SSLC : 97.6%

TECHNICAL SKILLS

- Java
- Python Basics
- HTML, CSS
- SQL (MySQL)
- Git & Github

ACADEMIC ACHIEVEMENT

Participated in the Intercollege **Coding Competition** at DIGNITO'23, organized by De Paul Institute of Science & Technology, Kerala.

EXTRACURRICULAR INVOLVEMENTS

- Canva Design
- Digital Design

PROJECTS

NETWORK-WIDE FLASK-BASED IMAGE SLIDESHOW

- Developed a real-time web-based image slideshow using **Flask-SocketIO, Python, HTML, CSS, JavaScript**.
